Parish Council Chair report

I would like to start of by saying that I have enjoyed my time as Parish Council Chair. I think that the two sad points in my year were losing Louise off the Parish Council with the great experience she had to offer. I am pleased that she is still here with the Community Council. Also Jean, with all the hard work she did over the years as our clerk. I do miss them a lot.

I would like to thank everybody for everything that you do. You give your time voluntarily and I think that is great. Thank you to Mandy, Kevin and everyone at the Community Council for the way that you carry out your jobs as well.

Thank you to all the councillors for all your support to me as chair.

I would also like to mention the bypass and the meetings we have had with Peter Aldous our MP. I haven't had any contact from him recently and I will be contacting him again shortly.

Once again thank you all for everything that you have done.
